

Features

Productgroup	I-Catcher LED Price Displays 7 Segment BOLD
Power supply	Excluded, requires Sign Controller
Input voltage	90 - 264 Vac on Sign Controller
Frequency	47 - 63 Hz
Operating voltage display	24 Vdc
Display font	7-segment - Bold
Ambient light control	Average calculation per side, software adjustable (66 steps)
No of connection cables	1
Housing	Aluminium
Ingress protection	IP23
Safety class	III
LED driving	≤ 20 mA constant current
Protection	Based on LED temperature
Storage temperature	-40°C to +85°C

Ordering information

Name	SKU	Colour	Font	Dot	Window size
7-seg. LED price display - Red on black - Clear acrylic - 4x288mm - No Dot	17366	Red	7-segment - Bold	No dot	385 x 937 mm
7-seg. LED price display - Red on black - Housing with backplate- 4x288mm - Dot after 2	15986	Red	7-segment - Bold	After second digit	
7-seg. SMD LED price display - Green on black - Clear acrylic - 4x204 mm - Dot after 1, Dot after 2	18529	Green	7-segment - Bold	After first digit, after second digit	638 x 263 mm
7-seg. SMD LED price display - Red on Black - Clear acrylic - 4x300mm - Dot after 2	18336	Red	7-segment - Bold	After second digit	381 x 937 mm
7-seg. SMD LED price display - White on black - Clear acrylic - 4x250 mm - Dot after 1	17818	White	7-segment - Bold	After first digit	307 x 769 mm
7-seg. SMD LED price display - White on black - Clear acrylic - 4x250 mm - Dot after 3	19437	White	7-segment - Bold	After third digit	
7-seg. SMD LED price display - White on Black - Clear acrylic - 4x300mm - Dot after 2	18013	White	7-segment - Bold	After second digit	381 x 877 mm
Multi seg. SMD LED price display - White on black - 3x300mm - Dot after 1	19192	White	7-segment - Bold	After first digit	
Multi seg. SMD LED price display - White on black - Clear acrylic - 4x288mm - Dot after 3	20297	White	7-segment - Bold	After third digit
